

Policy 150: Standby Power Systems

Board Approved: November 29, 2023

Clayton Monsen

Board President

Purpose: To set guidelines for the interconnection of standby generators.

Provisions:

- 1) McKenzie Electric Cooperative, Inc. (MEC) will make reasonable efforts to assist all members in determining generator size in accordance with their needs.
- 2) Members shall use a double-throw switch mechanism to connect an interconnected standby generator.
- 3) Member standby generator installations shall comply with all federal, state, and local codes.
