

## **Policy 161: Theft and Tampering**

Board Approved: October 25, 2023

*Clayton Monsen*

---

Board President

---

**Purpose:** To set guidelines to prevent and respond to instances of tampering with McKenzie Electric Cooperative, Inc. (MEC) facilities and/or stealing energy from MEC.

**Provisions:**

- 1) MEC will prosecute to the fullest extent possible under state and/or federal law anyone caught stealing services or tampering with or vandalizing facilities.
- 2) Employees shall report all suspected cases of stealing, tampering, or vandalism to their Department Head or the CEO.
