

Policy 164: Member and Non-Member Work

Board Approved: October 25, 2023

Clayton Monsen

Board President

Purpose: To set guidelines on charges for requested work by members and non-members that may be accepted at McKenzie Electric Cooperative, Inc. (MEC) discretion.

Provisions:

- 1) MEC CEO or his/her designee will review and determine ability to support requests.
- 2) All costs associated with required material and/or charges related to requested work shall require payment of the estimated cost as determined by MEC staff prior to any work being performed. A true-up of cost will be performed upon completion of work, which may result in either an invoice or refund.
