

Policy 165: Energy Efficiency

Board Approved: October 25, 2023

Clayton Monsen

Board President

Purpose: McKenzie Electric Cooperative, Inc. (MEC) may implement programs to promote efficient use of energy.

Provisions:

- 1) MEC may offer programs that promote energy efficiency such as rebates. Specific provisions of each program shall be reviewed and set forth by the McKenzie Electric Board of Directors.
- 2) MEC will provide information pertaining to its energy efficiency programs for member reference.
